To be on the Parish Pastoral Council you must be a member of one of the Neighborhood Parish Pastoral Councils. Respective Commission representatives from each neighborhood will decide from among themselves who their representative on the Parish Pastoral Council will be. Eg. The six Stewardship Commission Heads, one from each neighborhood, will decide among themselves which of them will be on the Parish Pastoral Council. No more than two representatives from one neighborhood may serve on the Parish Pastoral Council. Each Neighborhood Parish Pastoral Council will also have a Chairperson, Co-Chairperson and Secretary who is elected from one of the eight (8) commission representatives from within their neighborhood.
